I/We agree to provide these representations to the Fund, the Directors and the Manager at such times as either of them may request and to provide on request such certifications, documents or other evidence as the Fund, the Directors and/or the Manager may reasonably require to substantiate such representations.
2. If I am/we are acting as agent, representative or nominee for the account of a third party (the "Beneficial Owner"), I/we acknowledge and agree that the agreements, representations and warranties made by me/us herein are also made for and on behalf of (to the fullest extent possible) the Beneficial Owner and I/we represent and warrant that I/we have all requisite power and authority to execute this Application Form and the transactions contemplated hereby and that, in doing so, I/we will not be in breach of any laws or regulations of any competent jurisdiction.
3. 4. I/We hereby irrevocably apply for such number of Shares at a price determined in accordance with the Prospectus. I/We acknowledge that the Fund reserves the right to reject any application in whole or in part for any or no reason and that no interest will be paid on any subscription monies returned.
5. I/We warrant that: (a) I/we understand and are willing to accept the risks of investing in the Fund and have the knowledge, expertise and experience in financial matters, and/or have taken independent advice where appropriate, to evaluate the risks of investing in the Fund and to make an informed decision with respect thereto; (b) I am/we are aware of the risks inherent in investing in the Shares and the method by which the assets of the Fund are held and/or traded.
6. I/We acknowledge that the Fund has afforded me/us the opportunity to ask questions and receive answers to my/our full satisfaction concerning the terms and conditions of this offering and to obtain any additional information to the extent the Fund possesses such information or could acquire it without unreasonable effort or expense, necessary to verify the accuracy of the information contained in the Prospectus.

8. I/we will rely only on the advice of my/our own professional advisers in relation to all tax, legal and economic considerations in relation to or concerning my application and this Application Form and the proposed activities of the Fund.
9. I/we am/are purchasing Shares for investment purposes and solely for my/our own account and not with a view to nor present intention of reselling them, except in the case of redemption by the Fund of Shares.
10. I/we understand the methods of compensating the Manager and the Investment Manager and the risks associated with such methods.
11. I/We acknowledge and understand that I/we will receive written confirmation from the Administrator of the issue of any Shares within 1 Business Day following the relevant Dealing Day and that Shares will be issued in registered form with title to such Shares being evidenced by entries made in the Fund's register of Shareholders, without any share certificates or other documents of title being issued.
12. In order to enable you, the Manager and/or the Administrator to comply with local 'client due diligence' and 'anti-money laundering' (together, "CDD/AML") requirements under applicable legislation and regulations, I/we hereby:
13. have submitted to the Fund, the Manager or the Administrator with this Application Form complete and accurate certified copies of all CDD/AML verification documentation required to be provided by me/us in my/our capacity as a prospective Shareholder and, if applicable, CDD/AML relating to the Beneficial Owner in accordance with the CDD/AML guidance notes set out in the Appendix "Client Verification Requirements" and have indicated what documentation has been enclosed with my/our Application Form by 'ticking' the relevant boxes in the Appendix "Client Verification Requirements" in the sections applying to me/us; and acknowledge and understand that the Fund, the Manager and/or the Administrator may require additional verification documentation in order to comply with CDD/AML requirements from time to time and undertake to promptly provide to the Manager or the Administrator (as the case may be) any such documentation reasonably requested from time to time.
14. I undertake to notify the Fund, the Manager or the Administrator immediately of any change in my circumstances and/or status and/or any information or documents provided to the Fund, the Manager or the Administrator in connection with my application by way of this Application Form.

15. I/we hereby indemnify, and keep indemnified, the Fund, the Directors, the Manager, the Administrator, the Depositary, the Investment Manager and any other Shareholder (each an "Indemnified Party") against any and all claims, actions, liabilities, costs, or expenses of any kind arising or resulting from any misrepresentation or breach of any representation, warranty, acknowledgement, confirmation, undertaking or indemnity contained in this Application Form or from my failure to disclose any relevant details or provide the Fund, the Manager, the Administrator or the Investment Manager with all information requested by them.
16. I/we hereby indemnify and hold harmless the Indemnified Parties against any claims, demands, proceedings, liabilities, damages, losses, costs and expenses directly or indirectly suffered or incurred, arising from my/our holding of Shares in contravention of the dealing procedures as described in the Prospectus, including my/our failure to pay subscription money within the requisite deadline and/or my/our failure to transfer, or deliver for redemption, my/our Shares, if so directed by the Directors pursuant to the above or any other relevant provisions (including under paragraph "Compulsory Redemptions" of the Prospectus).
17. During the continuance of this Application Form and where I/we am registered as holder of any Shares, if I/we propose to transfer any of my Shares in the Fund, which is permitted under the provisions of the Articles and the Prospectus, I undertake to arrange for the transferee to become bound by the terms of, and assume all my obligations and liabilities under, this Application Form, by signing an adherence instrument in a form required or approved by the Administrator or the Fund, as if that transferee were named as the Shareholder.
18. Notwithstanding clause 16, I acknowledge that I will continue to be bound by the terms of this Application Form if the transferee fails to pay any amount when due under this Application Form.
19. Any notice or communication under this Application Form must be addressed to the relevant party at the address or email as stated in this Application Form.
20. This Application Form may only be varied or amended in writing signed by the Fund, the Manager, the Administrator and the relevant Shareholder.
21. If any term of this Application Form (or part of it) is held void or unenforceable then that term (or part of it) will be treated as severed from this Application Form and the validity of the remainder of that term and all other terms of this Application Form will not be affected in any way.
22. I/We acknowledge and understand that the Administrator will refuse to process redemption requests on non-cleared/verified accounts. In such circumstances, the redemption proceeds shall remain an asset of the Fund and the Shareholder will rank as a general creditor of the Fund until such time as the Administrator is satisfied that its anti-money laundering procedures have been complied with, following which redemption proceeds will be released. I/we acknowledge that the Fund may compulsorily redeem Shares in the event of delay or failure by me/us to produce any information required for anti-money laundering verification purposes.
23. I/We acknowledge and understand that the Directors have the power to compulsorily redeem Shares of an individual investor in certain circumstances, including where their holding is deemed to cause or likely to cause (in the opinion of the Directors), pecuniary, tax, fiscal, regulatory or other material disadvantages to the Fund, which may include circumstances where a Shareholder has not complied with applicable anti-money laundering rules and regulations.
24. This Application Form shall continue until ended by the mutual agreement of the parties or will automatically end, without prejudice to any accrued rights or claims at that time, on the redemption of all (but not part only of) my Shares by the Fund.

Risk Warning

Collective investment schemes in securities ("CIS") should be considered as medium to long-term investments. The value may go up as well as down and past performance is not necessarily a guide to future performance. CIS's are traded at the ruling price and can engage in scrip lending and borrowing.

A schedule of fees, charges and maximum commissions is available in the KIID and on request from the Investment Manager or the Manager. There is no guarantee in respect of capital or returns in a portfolio. A CIS may be closed to new investors in order for it to be managed more efficiently in accordance with its mandate. CIS prices are calculated on the Net Asset Value basis, which in relation to any Class is the Net Asset Value divided by the number of Shares in the relevant Class in issue or deemed to be in issue at the relevant Valuation Point subject to such adjustments, if any, as may be required in relation to any Shares or Class. The Net Asset Value of the Fund is comprised of all the assets in its portfolio including any income accruals less any permissible deductions (including brokerage, STT, VAT, auditor's fees, bank charges service providers' fees, including those of the Depositary, Manager, Administrator and the Investment Manager) from the portfolio. Forward pricing is used. Where foreign securities are included in a portfolio there may be potential constraints on liquidity and the repatriation of funds, macroeconomic risks, political risks, foreign exchange risks, tax risks, settlement risks; and potential limitations on the availability of market information. The investor acknowledges the inherent risk associated with the selected investments and that there are no guarantees. For further details on risks, please see "Risk Factors" in the Prospectus.

KEY INVESTOR INFORMATION

This document provides you with the key investor information about the Fund. It is not marketing material. The information is required by law to help you understand the nature and the risks of investing in this Fund. You are advised to read it so you can make an informed decision about whether to invest.

RANMORE GLOBAL EQUITY FUND PLC (THE "FUND")

USD INVESTOR CLASS (ISIN: IE00B746L328)

The Fund is managed by Carne Global Fund Managers Limited ("The Manager")

OBJECTIVES AND INVESTMENT POLICY

The investment objective of the Fund is to outperform the MSCI World Index (as defined in the Prospectus) ("Index") and to provide capital growth over a medium to long-term time horizon. The Fund is actively managed in reference to the Index as the Fund aims to outperform the Index and its performance is compared to the Index in marketing materials. Investments in the portfolio are not specifically selected from the constituents of the Index, hence the Fund's investment policy is in no way constrained by the extent to which its investments and their weightings differ to its Index and the degree of deviation from the Index may be significant. The selected equities' weightings are derived through a bottom-up investment process rather than through deriving their weightings from the Index. The Fund will invest in shares listed on Recognised Markets in accordance with the requirements of the Central Bank of Ireland and which meet the regulatory criteria (regulated, operate regularly, be recognised and open to the public) and which are listed in the Prospectus. It is not expected that the Fund will have a focus in any particular country or sector.

Essential features of the product which a typical investor should know:

- The Fund will comprise a diversified portfolio of securities of primarily large and mid-sized companies from a range of industry sectors and geographic regions.
- While the Fund's fundamental investment policy is investment in shares, the Fund may also invest up to 10% of its net assets in investments in financial derivative instruments ("FDI") for efficient portfolio management purposes. The Fund is currently permitted to invest in options for efficient portfolio management purposes.
- Shares in the Fund may be redeemed on demand, subject to certain restrictions, on each Business Day.

- The Fund will have discretion to select the shares it will hold, and the Fund aims to outperform the Index.
- The Fund will reinvest any income that it earns from its investments in additional shares/investments.
- The Fund may from time to time hold substantial cash balances.

Other Information:

- **Representative KIID:** In addition to describing the USD Investor Class (ISIN: IE00B746L328), the Key Investor Information Document may also be used as a representative of the EUR Investor Class (IE00B6ZCS539), GBP Investor Class (IE00B61ZVB30) and USD Advisor Class (IE00B6ZNY252) of the Fund.
- Investment in the Fund is suitable for investors who expect to maintain their investment over the medium to long-term horizon.
- No currency hedging takes place in any of the share Classes of the Fund. All the Classes of the Fund will derive their currency exposure from the underlying shares held in the portfolio and will not be hedged against its benchmark currency. This creates exposure to currency movements. The difference between the returns in the EUR and GBP Classes and the USD Class is due only to changes in the EUR/USD and GBP/USD exchange rates over the measurement periods.
- For full investment objectives and policy details, please refer to the section of the Prospectus entitled "Investment Objectives and Policies."

RISK AND REWARD PROFILE

The Fund is in risk category 6 due to the historic performance of the NAV per share.

- Historical data may not be a reliable indication for the future.
- Risk category shown is not guaranteed and may shift over time.
- The lowest category does not mean "risk free".

Investment in the Fund carries with it a degree of risk (which may change over time) which may not adequately be captured by the risk indicator:

- Market risk - changes in economic conditions can adversely affect the prospects of the Fund.
- Currency risk - the Fund invests in global equities denominated in different currencies, predominantly USD, JPY, EUR and GBP. The underlying currency exposure is not hedged in any of the Classes.
- Operating risks and the risks relating to the safekeeping of assets.
- Custodial risks including safekeeping of assets.
- The Fund's exposure to an instrument or counterparty may be increased as a result of its use of FDI, but such exposure or leverage will not exceed 100% of NAV at any time.

For more details, please refer to the section of the Fund's Prospectus entitled "Risk Factors".

The Common Reporting Standard (“**CRS**”), formally referred to as the Standard for Automatic Exchange of Financial Account Information, is an information standard for the automatic exchange of information (“**AEoI**”), developed in the context of the Organisation for Economic Co-operation and Development (“**OECD**”).

The standard requires that Financial Institutions in participating jurisdictions gather certain information from account holders (and, in particular situations, also collect information in relation to relevant Controlling Persons of such account holders).

Under CRS, account holder information (and, in particular situations, information in relation to relevant Controlling Persons of such account holders) is to be reported to the relevant tax authority where the account is held, which, if a different country to that in which the account holder resides, will be shared with the relevant tax authority of the account holder’s resident country, if that is a CRS-participating jurisdiction.

Information that may be reported includes name, address, date of birth, place of birth, account balance, any payments including redemption and dividend/interest payments, Tax Residency(ies) and TIN(s).
